INTER-OFFICE CORRESPONDENCE

REILLY TAR & CHEMICAL CORPORATION

TO: MR. T. J. RYAN - INDPLS. OFFICE St. Louis Park
FROM: Mr. H. L. Finch DATE February 9, 1972
SUBJECT: ST. LOUIS PARK SUN NEWSPAPER DATED FEBRUARY 3, 1972

Attached you will find a picture taken from the Sun Newspaper of February 3, 1972 showing a view of the lumber yard operations and retort building with boiler smokestacks. The picture was taken from the west side of the property looking east or closer to northeast. The picture itself I do not believe was taken this year but believe it was most likely taken early in the spring of 1971.

As far as the announcement of a September closing, the only thing that I can think of is that you must have been talking to the City of St. Louis Park and told them that we were closing next fall because you are the author of the September date. I talked to Tom Reiersgord and he did not announce we were closing next fall and I know I did not announce we were closing next fall so you must have been the one.

There was no further article with this picture, just the picture with the heading.

In the same paper, with no relationship to the picture, there was also a notice of upcoming meetings of the City of St. Louis Park Council. At 9:15 A.M. on Saturday the meeting with the Housing and Redevelopment Authority could well be a discussion of the funding for the purchase of the plant.

Yours very truly,

H. L. Finch
